

29 and 30 May 2026

MASTERCLASS AESTHETIC EXCELLENCE

Course Highlights

Experience a unique programme where in-depth anatomical knowledge meets the most advanced infiltration techniques.

29 May
01

Theoretical part:
from facial anatomy to basic and advanced infiltration techniques

Practical part:
Live injections on models

30 May
02

Cadaver Lab:
Use of infiltration techniques and surgical dissection on a cadaver

From live to deep dissection,
Unveil every secret of the face

We wanted to create a course different than any others,
**PASSION - SCIENCE - NO FILTER - 360°
THE TRUTH AND NOTHING BUT THE TRUTH!**

Included in the cost:

- Teaching materials
- Coffee break
- Lunch

Price

Early bird: € 2.300
(No later than February 2026)
After Feb 2026: € 2.500

By participating in the course, you become part of our family and will be added to a WhatsApp chat where you can feel at home, ask for advice about your patients, and simply stay up to date on the latest scientific articles.

LEARN FROM THE BEST IN THE AESTHETIC INDUSTRY

Our faculty

Plastic Surgeon
Dr. Pierfrancesco Bove

Plastic Surgeon
Dr. Francesco Marchetti

Plastic Surgeon
Dr. Giuseppe Colombo

FULL- FACE ASSESSMENT

Strategic planning for natural results. Predictable outcomes through structure analysis and precision.

SOCIAL MEDIA

Marketing fundamentals. Patient psychology & digital visibility.

CREATING A JOURNEY WITH THE PATIENT

Skin-to -bone strategy; years together.

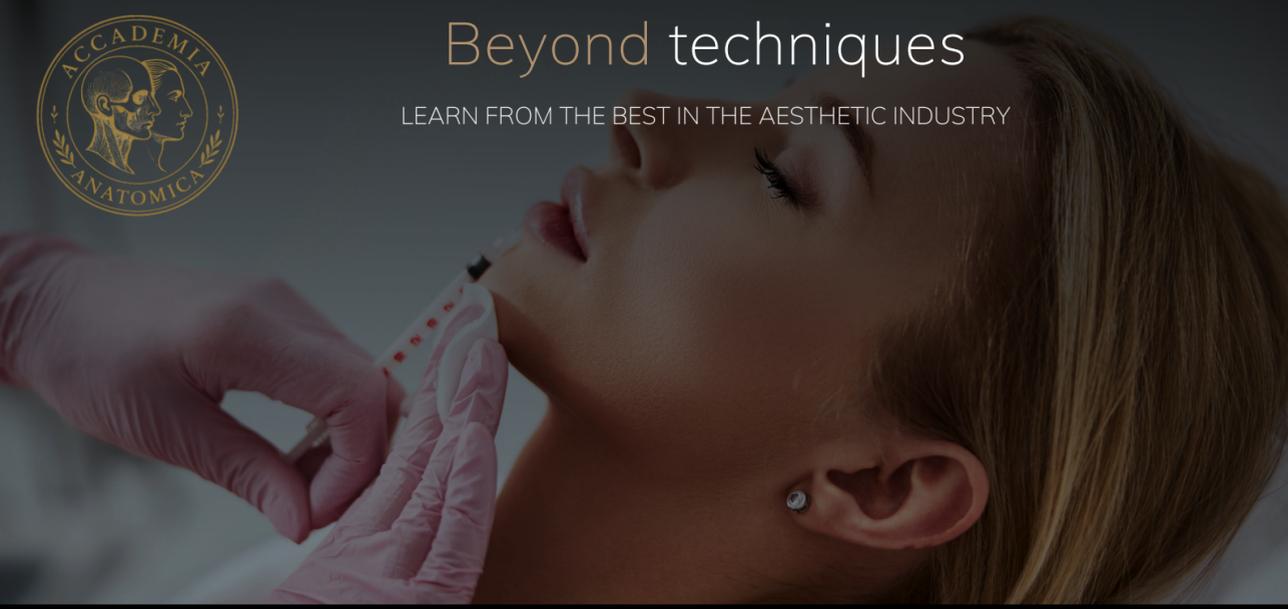

GRADUATION & WRAP UP

Q&A A clear, actionable roadmap for applying new strategies in daily practice.

Beyond techniques

LEARN FROM THE BEST IN THE AESTHETIC INDUSTRY

We are looking forward to welcoming you!
